

Sl. No.	Academic Year	Faculty	Title	Journal Name	DOI	Month and Year of Publishing	Indexing	Verified
1	2017–2018	Saritha K, Abraham S	Big Data Challenges and Issues: Review on Analytic Techniques	Indian Journal of Computer Science and Engineering (IJCSE)	N/A	June–July 2017	Not specified	Yes
2	2017–2018	Saritha K, Abraham S	Prediction with partitioning: Big data analytics using regression techniques	International Conference in Networks & Advances in Computational Technologies (NetACT)	N/A	July 2017	IEEE	Yes
3	2017–2018	Smitha Anu Thomas, Bindu V. R.	Software Process Improvement Efforts as a Way to Improve the Quality of Software	National Conference on Advanced Computing and Communication Technology (CSI Proceedings)	N/A	January 2017	Not specified	Yes
4	2017–2018	Smitha Anu Thomas, Bindu V. R.	An Overview of Software Process Improvement Initiatives Promoting to the Growth of an Organization	Journal of Engineering and Applied Sciences	36478/jeasci.2017.7525.7528	2017	Scopus	Yes
5	2017–2018	Smitha Anu Thomas, Bindu V. R.	Assessing the Role of Software Process Improvement Efforts in Improving the Quality of Software	Science and Society	N/A	Jan–June 2017	Indian Science Abstracts (ISA)	Yes
