

STUDENT PUBLICATIONS(2018-2019)

SL. NO.	PUBLICATIONS
1	Ciya Maria Roy, Elsa Manoj, Harsha Joy, Sarin Ravi,'Development of flood hazard vulnerability map for Alappuzha District',International Journal of Current Engineering & Scientific Research, Vol V., Issue 3, (2018).
2	Eliyas Babu, Merin Abraham, NikithaBoban, Shifana M. S,'Footings on Geosynthetic Reinforced Granular Pads Overlaying Weak Local Soil',International Journal of Creative Research Thoughts, Vol VI, Issue 1, (2018).
3	Anu C Paul, Helen Peter, Elizabeth Paulose, Merina Saju,'Assessment of Drought Vulnerability of Ernakulam District using SPI Index',International Journal of Creative Research Thoughts, Volume 6, Issue 2, 2018..
4	Adarsh V A, Aswathy Santhosh, Athira Jayakumar, Binita George,, 'Traffic Signal Designing for Karingachira Junction', International Journal of Creative Research Thoughts, Volume 6, Issue 1, 2018.
5	Mohammed Fayaz., MridulaS., Sarahjaison., Sherin P Yoyak,'Black spot Identification using Severity Index Method', International Journal of Current Engineering & Scientific Research, Vol V., Issue 3, (2018).
6	Akash Shaji, Ashmy M S, Neenu Raju and Nimisha Sebastian,'A Novel Methodology for Infiltration Model Studies', International Journal of Engineering Technologies and Management Research, Vol.5, Issue 3, 2018, pp. 190-199.
7	Akash Shaji, Ashmy M S, Neenu Raju and Nimisha Sebastian,'Statistical Application on Infiltration Model Studies', International Journal of Current Engineering and Scientific Research, Volume.5, Issue.3, Part 6 pp. 39-42, 2018.
8	Kavya Mohan., Shone Greens., Sneha George., Carolin Peter, Mary Lissy P. N., 'Production of Innovative Energy Efficient bricks using Industrial Debris',Proceedings, National Conference on Emerging Technologies., March 2018., MES College of Engineering Kunnukara.
